

Membership and Years of Service Recognitions

Membership Numeral Guards & Years of Service Recognitions recognize registered adult members for years of active volunteer service at five-year intervals, starting at five years. Members can purchase pins at council stores. For years 15 and above, council provides pins free of charge. Members simply need to fill out the form.

Years of Membership Numeral Guards are worn with the membership pin and indicates, in five-year intervals, the total number of years as a registered member with Girl Scouts of the USA. Both girl and adult years of membership are counted in determining the total years of membership.

Adults, for whom council-provided recognitions are being requested, must be currently registered members of this council. Membership and/or service recognitions for 15 or more years may be presented at the annual recognitions event if desired. Please indicate on the form whether the award is to be held for the council event or picked up for service unit event.

Recognitions for five or ten years may be purchased from the council shop and presented at an appropriate service unit event.
