26TH ANNUAL JAMES S. COPLEY AWARD FOR CITIZENSHIP Application Form

To be completed by the Girl Scout applying for the award

For 25 years, the *San Diego Union-Tribune* has recognized outstanding service by local Girl Scouts and Boy Scouts. The Copley Award for Citizenship is a wonderful opportunity to be recognized for “exemplary participation in community life.” Registered Brownie, Junior, Cadette and Senior Girl Scouts are encouraged to apply for this prestigious award. A committee will select one honoree in each level. Winners receive a plaque during a Rotary Club luncheon in August 2008 (date to be announced). In addition, their names appear in the *Union-Tribune*, council publications and on a perpetual plaque in Florence Burnham Hall.

Please list specific examples. Attach an additional sheet if necessary (or complete this form at www.girlscoutssdi.org/copley). Award recipients are selected based on their accomplishments and ability to represent the council at the award ceremony.
