

Parental Notification for Sensitive Issues

(Please refer to *Safety-Wise* pages 40-43)

Signed permission is required for special programs focusing on sensitive issues. Maturity, religious beliefs, cultural standards, and family values are to be considered when planning programs. A parent meeting to discuss and review the program is recommended.

Note: If the activities detailed below are to take place at times and/or places other than the usual meeting time or place, a standard permission slip must be filled out in addition to this form.

Program level: _____ Troop/group #: _____ Date of activity: _____

Dear Parents:

Our troop is planning to participate in a program featuring information and discussion on the following sensitive issue(s):

The activity will use the following format and include the following activities: *(Clearly outline program content. List presenters and agencies they represent. Also list any materials such as videos or handbooks that the girls will use during the activity.)*

Please contact the following person if you have any questions concerning this activity:

Adult in charge of the activity: _____ Phone number: (____) _____

Parent/Guardian Permission Verification

Please sign and return to leader prior to the activity.
