

Machel Allen, CFA
President and Chief Investment Officer
Metis Global Partners

Machel is President and CIO of Metis Global Partners. She leads the firm's business strategy efforts, as well as the investment team responsible for developing and managing the firm's products.

Her investment career spans over 20 years, including 10 years with Brandes Investment Partners, where she started and led the quantitative investment team. Before joining Brandes, Machel worked in a range of investment roles at other large investment firms including Lord Abbett Investment Management, LCG Associates, and Watson Wyatt.

Machel earned an MBA in Investments from the Robinson Business School at Georgia State University (GSU), as well as a BBA in Finance from GSU.

Her extensive non-profit board experience includes roles as Past President and Board Director of the CFA Society of San Diego; Past Board member, Executive Committee member and Treasurer of the San Diego Museum of Man; the San Diego Foundation (investment committee); and the San Diego Library Foundation (finance committee).
