Path to the Girl Scout Silver Award

The Girl Scout Silver Award represents a Cadette's accomplishments in Girl Scouting and in their communities as they grow and work to improve the lives of others. Before beginning their Silver Award project, Cadettes complete a Girl Scout Journey, which leads them through the steps of self-discovery, connecting with others, and taking action to make the world a better place. Then, either as individuals or in a small group, they explore the community, identify and research an issue they care about, make a plan to address it, and take action in a sustainable and measurable way.

The Girl Scout Promise

On my honor, I will try:
To serve God and my country,
To help people at all times,
And to live by the
Girl Scout Law.

The Girl Scout Law

I will do my best to be
honest and fair,
friendly and helpful,
considerate and caring,
courageous and strong, and
responsible for that I say and do,
and to
respect myself and others,
respect authority,
use resources wisely,
make the world a better place, and
be a sister to every Girl Scout.
