Service to girls (program
activities, volunteer training,
camps, financial
assistance)

When girls participate in the Girl Scout Cookie Program, they develop important life skills that will set them up for success beyond anything they can imagine.

- Goal setting
- Decision making
- Money management
- People skills
- Business ethics

Girl Scout Cookies provide an invaluable opportunity for girls to do extraordinary things. All money earned stays in San Diego to help power unique experiences for girls. Whether it's a trip they'll never forget, a service project that will change their community forever, or building a lifetime of memories at camp, the Girl Scout Cookie Program helps make it happen.
