Tips and Troubleshooting

- Use Google or Firefox as your browser for the best experience. Clear your cache before beginning the renewal process.
- An expired background check will prevent you from renewing into your role. If you have any questions about the background screening process, please contact customer care at customercare@sdgirlscouts.org or 619-610-0821.
- Lifetime members will need to renew into their roles.
- After confirming member details, the caregiver contact information was “lost.” Do not click the “I am the caregiver” box. Instead, remove that participant and then finish renewing any girls already in the cart.

If you need assistance or have questions, please contact our Customer Care team at customercare@sdgirlscouts.org or 619-610-0821.
