Letter from the CEO

Dear Girl Scouts and Families,

On behalf of the Girl Scouts San Diego board of directors and staff, I hope this letter finds you brimming with excitement for the summer camp season!

This year, our camp theme is “**Embrace Possibility**,” and we can't wait to welcome you and more than 2,500 Girl Scout campers to our four camp properties. Summer camp is the perfect place to be yourself, explore new environments, learn skills, and create lasting memories with friends new and old.

Imagine days packed with thrilling outdoor adventures—exploring nature on scenic hikes, tackling team-building challenges, and unleashing your creativity through arts and crafts. Then, finish your day gathered around the campfire sharing stories, laughter, and unforgettable moments under a canopy of stars. The possibilities are endless!

For our seasoned campers, you will find cherished favorites like Wild Things, Horsin' Around, and Babysitting Bonanza. Meanwhile, our team has been creatively planning fresh and exciting day, sleepaway, and family camp experiences at Balboa Campus, Escondido Program Center, Whispering Oaks, and Winacka. Whichever camp you choose, you are in for a memorable journey.

We are proud to offer competitive pricing within Southern California for our camps, which allows more girls to get outside and experience new adventures. To simplify the camp registration process and ensure we can sustain our camp programs, Girl Scouts San Diego will operate on a single-tier pricing structure starting this camp season. Financial assistance is available, thanks to our generous donors and corporate partners. Read on to learn more.

As you explore the 2025 Girl Scout Summer Camp Guide, get ready to tap into your inner strengths, passions, and dreams. You are capable of the extraordinary, and camp is the perfect place to discover the encouragement and support to make it happen. We can't wait to see you there!

Inclusion Statement

In building girls of courage, confidence, and character, who make the world a better place (our mission), we are committed to providing Girl Scouts with the space, the skills, and the practice to embrace and participate in thoughtful dialogue to understand individuals, their life experiences, and identities. We create safe and inclusive spaces for our members to experience a sense of belonging and to have the opportunity to discover, connect, and take action in our complex world—these are key to the Girl Scout Leadership Experience.

All Girl Scouts San Diego programming, including camp, is open to those who identify as girls and individuals who do not identify with the gender binary. Although our members are referred to as Girl Scouts or girls, we recognize and honor that they may not identify as exclusively female or use she/her pronouns.

We are all learning, and together, we can create space for all Girl Scout members to feel welcome, valued, and seen.

A young woman with dark hair is smiling and looking towards the camera. She is wearing a black t-shirt that features a list of values in large, colorful, sans-serif font: 'Love.' in red, 'Empathy.' in orange, 'Respect.' in yellow, 'Inclusion.' in green, 'Justice.' in blue, and 'Kindness.' in purple. Below this list is the Girl Scouts San Diego logo, which includes a small trefoil icon and the text 'Girl Scouts San Diego' in white.

2025 Girl Scout Summer Camp

Registration opens Thursday, Feb. 20 at 6 p.m. | sdgirlscouts.org/camp

Grade Level

To ensure the best experience for your camper, it is important to register for sessions that are appropriate for her age and Girl Scout level. Grades shown for summer camp sessions indicate the grade your camper will enter in the fall of 2025.

Pricing

We are proud to offer competitive pricing within Southern California for our camps, which allows more girls to get outside and experience new adventures.

To simplify the camp registration process, move closer to the true cost of camp, and keep our camp programs sustainable, Girl Scouts San Diego will operate on a single-tier pricing structure starting the 2025 camp season. A \$25 deposit per camp session is required for all campers at the time of registration.

See page 6 for payment options and discounts. Financial assistance is available to ensure accessibility for all participants.

Financial Assistance

Thanks to generous donations from supporters of Girl Scouts San Diego, we can offer financial assistance for

up to one camp session per camper per year for Girl Scout members. Assistance is awarded as a percentage of camp fees and is based on financial need.

To Request Financial Assistance:

- Register for your selected camp by creating an online Active account or open your existing Active account at sdgirlscouts.org/camp.
- Select the payment plan option at check out so you will only pay the \$25 deposit per camp session at registration.
- Complete the online financial assistance application in your Active account under “Supplemental Forms.”
- Funds are limited and awarded on a first-come, first-served basis.
- Within two weeks, you will be notified whether you qualify for assistance and the amount granted. If not approved, you will have an option to either pay the balance, establish a payment plan, or have your deposit refunded.
- Pay any remaining balance (due three weeks prior to camp session).
- Please contact camp@sdgirlscouts.org with questions.

Payment Options and Discounts

When registering, you will have the choice to pay camp registration in full or to select a payment plan option. Final payment is due 3 weeks prior to the start of your camp. We also invite you to take advantage of the following discounts:

Save 50% on bus transportation to sleepaway camp* when you pay for your camp session in full at the time of registration—a \$35 savings for each round-trip! Sleepaway camps include Camps Whispering Oaks and Winacka.

**Discount applies to bus transportation when buses are selected in the registration process. You can use this discount for multiple camp registrations.*

Reduced camp fees* for a camper attending multiple paid camps (not paid through financial assistance):

- \$50 discount on one camper’s registration for each day camp session after the first day camp session.
- \$100 discount on one camper's registration for each sleepaway camp session after the first sleepaway camp session.

Example: One day camper pays regular price for first day camp session, and pays \$50 less for each of her second and third day camp sessions.

**Discount applies to one camper attending more than one camp session; multiple camps must be included in the same registration transaction; does not apply to already discounted CIT/DCA or COV camps (e.g. CIT in Action for sleepaway camp).*

Earn camp through Girl Scout Cookie Program rewards: See page 7 for details.

Refund and Cancellation Policy

Cancellations and requests for transfers or refunds must be submitted in writing to camp@sdgirlscouts.org.

Timing	Cancellations	Transfers
More than three weeks prior to the start of your camp	Full refund (minus \$25 deposit and \$20 registration fee, if opted in)	One courtesy transfer allowed. Additional transfers are permitted, minus the \$25 deposit
Less than three weeks prior to the start of your camp	No refunds provided	Transfers may be made, subject to availability and minus the \$25 deposit
Less than five business days before the start of your camp	No refunds provided	No transfers available

Earn Camp by Participating in the Cookie Program

Embrace Possibility during the Girl Scout Cookie Program and at Girl Scout Summer Camp!

During the Girl Scout Cookie Program (Sunday, Jan. 26-Sunday, March 9), Girl Scouts learn five essential skills: goal setting, money management, people skills, decision making, and business ethics.

Use those goal-setting skills to set your sights on a free week of camp. Girl Scouts who reach 1,000 packages in the cookie program can earn a five-day session at either sleepaway or day camp (eligible cookie camps are noted with a 🍪 symbol). Cookie program participants can also earn Cookie Buck Program Credit rewards, which can be applied to camp fees. When registering for camp, select the Payment Plan option. You will pay the \$25 deposit per camp, and any camp merchandise you order (the deposit(s) will be refunded once the 1,000-package goal is confirmed at the end of the cookie program). Learn more at sdgirlscouts.org/cookieentrepreneur.

COOKIES = CAMP

Through the Girl Scout Cookie Program, you can support the camps you love. Camp fees cover only a portion of camp operating costs. Girl Scouts San Diego makes up the difference with council proceeds from the cookie program, providing fun and challenging activities, knowledgeable and supportive staff, healthy food, and safe facilities for your summer adventure!

Benefits of Girl Scouts Outdoor Experiences

When girls engage in outdoor activities, they are empowered to thrive physically, emotionally, and mentally.

Outdoor experiences promote a sense of independence, self-confidence, and resilience as campers navigate challenges and explore their capabilities in a supportive environment.

Girl Scout camps contribute significantly to girls' well-being by offering a break from the demands of daily life and school pressures. The natural beauty of our four camp properties serves as a perfect backdrop for them to discover passions, make connections with their new best friends, build an appreciation for the environment, and step outside their comfort zones.

Campers have a say in the activities their groups will participate in, so no two sessions of camp are the same.

Providing outdoor experiences for your camper starts with you! After registering your camper, you will receive a confirmation email that includes a family packet. This is your go-to resource for planning and preparing for a successful and impactful camp experience.

Health and Safety FAQs

We are committed to the well-being and safety of our Girl Scout members, families, staff, and volunteers.

We have addressed general questions below that will serve as standard operating procedures across all camp properties and programs. Subject to change.

If my camper becomes sick or injured at camp, how will they receive help?

At day and sleepaway camps, the safety and well-being of our campers are our top priorities. All camp staff are certified in First Aid and CPR and carry a first aid kit with their unit at all times. We maintain a strong relationship with our local Emergency Medical Services to ensure prompt support when needed. At sleepaway camps, a qualified health supervisor is always on duty when campers are present. Health supervisors are trained professionals, including physicians, registered nurses, licensed vocational nurses (as licensed under Division 2 of the Business and Professions Code), or a person who is trained in accordance with section 1596.866 of the Health and Safety Code.

What should I do if my camper needs to bring medications to camp?

Complete the camper medication form during registration, and, if needed, update two to three weeks before your camp session. Please send all medications with your camper in their original containers. All medications will be safely locked up, stored appropriately, and distributed by a trained professional. Counselors will keep any emergency medications (i.e. inhalers, EpiPens, glucagon) on hand at all times. If you would like your camper to carry their own emergency medication, please email campdirector@sdgirlscouts.org.

How are dietary restrictions handled at camp?

Please communicate dietary restrictions on the health forms during the registration process. We can accommodate most dietary restrictions with advanced notice. All our day and sleepaway camps are nut-free; please do not send any items containing peanuts or tree nuts with your camper to camp.

Can I send snacks with my sleepaway camper?

Due to the wild animals at camp, please do not send snacks with your camper to sleepaway camp (Winacka or Whispering Oaks). We will provide additional snacks as needed.

How should I communicate any special needs or accommodations that my camper may need?

When filling out the registration and health forms, please provide us with as much information as possible so we can best help your camper. If you need additional space or would like to explain further, email us at campdirector@sdgirlscouts.org.

What is your communicable disease protocol, including COVID 19?

Girl Scouts San Diego will follow any local and CDC infectious disease mandates that are in place when camp is in session. Masks are always welcome for additional protection. Masks will not be worn while eating, drinking, and sleeping, or during aquatic activities like swimming or canoeing.

What are the required health screenings and procedures upon arrival at sleepaway camp?

Upon arrival to camp, each camper will be asked to answer general health-check questions in addition to health screenings, including a lice check and temperature check.

What if my camper becomes sick before camp?

Please keep them at home. If space allows, we will transfer your camper to a camp at a later date. You can help protect the camp community by staying healthy in the weeks before your session.

I still have questions; how can I find out more information about my camper's specific session?

In addition to checking sdgirlscouts.org/camp, you may also reach out to the camp directors at campdirector@sdgirlscouts.org.

Camp Properties

DAY CAMPS

Balboa Campus

Located in the northwest corner of Balboa Park, our Balboa Campus serves as Girl Scouts San Diego's headquarters. The property includes cabins and other amenities for camping and activities. Each cabin area has large indoor spaces with air conditioning, covered porches, open outdoor areas, and a campfire ring. The campus also has an amphitheater, Adventure Zone, and target sports range that girls will use during programs.

Escondido

Located in the heart of Kit Carson Park, the Escondido Program Center includes a large lodge with a fireplace, multiple restrooms, air conditioning, shaded porches, archery range, water mister, sports field, and a campfire ring.

SLEEPAWAY CAMPS

Sleepaway sessions take place in the Cuyamaca Mountains near Julian, CA.

Camp Winacka

At this traditional camp, living units are tucked among trees that surround a meadow. Counselors sleep in cabins with campers in grades 2-5, and adjacent to cabins with campers in grades 6-12. Each living unit includes a central porch and fire ring. Activities center around the lodge, dining hall, swimming pool, lake, and environmental center.

Facilities at Camp Winacka:

- Flush toilets and hot showers are accessible to all accommodations.
- Enclosed cabins have heat, electricity, and cots, and can sleep up to 24 campers.
- Open-air (or rustic) cabins are screened in, open-air facilities with built-in bunks and no electricity, and sleep up to eight campers.
- Under-the-stars campers spend the night beneath the beautiful Julian night sky illuminated by stars. Campers' belongings are stowed away safely in a cabin overnight. Campers have access to toilets.

Make sure to note the facilities type symbol in the camp session when choosing the best camp for you.

Camp Whispering Oaks

At this modern camp, living units are closely centered around the lodge and play field. Counselors sleep in cabins with campers of all age levels. Campers may have the opportunity to plan a sleepout in a different location. When sleeping at a tent site, counselors sleep in pitch tents adjacent to camper tents. Each cabin cluster has a program area and space for outdoor cooking. Each tent site has a fire ring. Activities are held at the lodge, challenge course, play field, playground, arts shed, archery range, and on the trail.

Facilities at Camp Whispering Oaks:

- Hot showers are accessible to all accommodations.
- Enclosed cabins have heat, electricity, bunkbeds, and access to flush toilets, and sleep up to 14 campers.
- Pitch tent campers sleep in tents at one of our tent sites. Each tent site has a fire ring and port-a-potties. Tent campers will have access to showers and flush toilets throughout the day.

Calling All Volunteers

Day Camp Adult Volunteers

When you volunteer for day camps, there is no fee for you, and your children receive reduced camper fees. As a day camp volunteer, you have opportunities to impact girls, develop your own leadership expertise, gain new skills, and spend the week at camp helping make each day special for our campers. Both female and male adults, ages 18 and up, are welcome to apply to volunteer. Look for sessions with Child of Volunteer (COV) camper fee; choose this for your child's registration fee if you will be volunteering for the week of camp.

We strive to give each Girl Scout the space to grow and own their leadership, so we encourage adult volunteers to volunteer for the same session of camp as their child and work with a different group than their child's group. Volunteer placement is determined based on the needs of the campers, the needs of camp, and the interests of the volunteer. Volunteers may or may not be placed with their child.

Become a Day Camp Volunteer

1. Register as a Girl Scout member: sdgirlscouts.org/join.
2. Register as a day camp volunteer through the summer camp registration system at sdgirlscouts.org/camp.
3. If your child is also attending camp, register your camper at the child of volunteer (COV) rate specified in descriptions for camps that use volunteers. You must volunteer for the full week of camp to use the COV rate. We will contact you prior to camp to discuss your volunteer role and camp placement for that week.
4. Complete a background check and other required paperwork per instructions provided in your confirmation email.
5. Complete the online training found in gsLearn. Instructions will be provided in your confirmation email.

Sleepaway Camp Adult Volunteers

While we do not accept parent volunteers for sleepaway camp programs, we appreciate volunteer cheerleaders/assistants to support check-in and to send campers off on the buses at bus locations (Escondido and Mission Valley) on Mondays and welcome them home on Fridays.

We also welcome help with office projects prior to the camp season and with logistics help during camp (i.e. shopping, prepping materials, transporting staff, etc.). Contact campdirector@sdgirlscouts.org for information.

The girl on the far left is wearing a pink top and a skirt with a rainbow pattern. The second girl from the left is wearing a light blue t-shirt with a cartoon animal and light blue shorts. The third girl is wearing a light blue t-shirt with text and colorful shorts. The girl on the far right is wearing a purple t-shirt with a flower pattern and purple shorts. All four girls are smiling and appear to be having a great time.

Camp Staff

All camp staff members are 18 or older and are selected for their maturity, skills, and enthusiasm. Many of our counselors were Girl Scout campers as youth, and most counselors return year after year. Staff are trained in CPR, first aid, child development, and activity leadership. As an equal opportunity employer, we occasionally hire male staff. Male staff members are never with Girl Scouts without a female counselor.

Extended Camp

To accommodate busy schedules and ensure a seamless transition for all of our campers, our Extended Camp offers a safe and engaging environment beyond regular camp hours. Campers will have the opportunity to participate in additional activities, enjoy supervised free time, and forge lasting friendships in a relaxed setting.

There is no charge for Extended Camp! Extended Camp is available at our Balboa Campus from 7:30-8:30 a.m. and 3-6 p.m. Extended Camp is not available at the Escondido Program Center or any offsite camps. **Sign up for Extended Camp during camp registration.**

Grade Level Guide

Camp sessions are organized by grade level; grade level refers to camper's grade entering fall 2025.

Look for your grade level's color in the following camp listings!

- | | |
|--|---|
|  Daisies (K-1) |  Cadettes (6-8) |
|  Brownies (2-3) |  Seniors (9-10) |
|  Juniors (4-5) |  Ambassadors (11-12) |

T-Shirts

A special day camp T-shirt is included with registration and provided to all campers for each week of camp.

Camp Buddies

Campers may register to be placed with one “buddy” for the week. Enter buddy information during camp registration. Because day camp programming is age specific, we can only accommodate buddy placement for girls within the same level of Girl Scouts or the same multi-level camp (Daisy, Brownie, etc.).

Confirmations/Instructions

Once you register and fill out all the appropriate forms online, you will receive a confirmation email (sent to the email address that you used to register) with a link to any other required paperwork. Prior to your camp session, we will communicate through email to share information about what to bring (i.e., a sack lunch, water, sunscreen, etc.), what to expect from camp, and any updates. Please monitor your email for camp messages.

Campers with Special Needs

With sufficient notice, we can accommodate most campers with special physical, medical, emotional, social, or dietary needs. Contact the director (campdirector@sdgirlscouts.org) at least two weeks in advance of the start of the session with specific considerations and fill out the health form in detail during registration.

Overall Camp Experience

At Girl Scouts San Diego Summer Camp, campers embark on a diverse range of activities, including engaging group games, thrilling outdoor adventures, and creative arts and nature sessions. At all of our camps, campers gain valuable skills and form lasting friendships. As they learn and explore together, they forge meaningful connections, sharing experiences that boost confidence and create a strong sense of camaraderie.

Teen Leadership at Day Camp

Day Camp Aides (DCAs) and Counselors-In-Training (CITs) are campers in grades 7-12 who partner with adult staff to lead activities and support younger girls.

Current training is required for all teen leaders. As DCA/CIT positions are very popular, we limit registration to two sessions per girl, not including DCA/CIT training. We do not accept buddy requests from DCAs/CITs.

Day Camp Aides (DCAs)

Grades: 7-12 ●●●●

DCAs help campers with crafts, games, and songs, assist unit counselors, and learn about leadership from CITs and Girl Scout staff. This is an entry-level camp leadership position.

Prerequisites for DCAs

To participate as a Day Camp Aide (DCA), you must meet the following requirements:

1. You must be entering grades 7-12.
2. Attendance at one of the in-person orientation sessions is required for all DCAs, whether new or experienced. Choose one of the sessions on page 15.
3. Participation in the DCA/CIT day camp training, held during the first week of camp, June 23-27, 2025, is **mandatory for new DCAs only**.
4. DCAs register for the day camp session(s) you wish to work, with a limit of two sessions per participant. Register at the DCA/CIT rate specified in the day camp descriptions. *NOTE: If all prerequisites have not been met to qualify as a DCA, your camp DCA registration will be cancelled.*

Counselors-in-Training (CITs)

Grades: 9-12 ●●●

As seasoned older camp leaders, CITs mentor DCAs and younger girls, and take on additional leadership opportunities like planning or leading activities on their own.

Prerequisites for CITs

To participate as a Counselor-in-Training (CIT), you must meet the following requirements:

1. You must be entering grades 9-12.
2. CITs must have held one of the following leadership roles: DCA, leader-in-training (LIT) at Camp Winacka or Whispering Oaks, or an equivalent leadership role with three or more hours of training and 20 hours of leadership time working with younger girls.
3. Attendance at one of the in-person orientation sessions is required for all CITs, whether new or experienced. Choose one of the sessions on page 15.
4. Participation in the DCA/CIT day camp training, held during the first week of camp, June 23-27, 2025, is **mandatory for new CITs only**.
5. CITs register for the day camp session(s) you wish to work, with a limit of two sessions per participant. Register at the DCA/CIT rate specified in the day camp descriptions. *NOTE: If all prerequisites have not been met to qualify as a CIT, your camp CIT registration will be cancelled.*

DCA/CIT In-Person Orientation

All DCAs and CITs attend

See below for session options

Grades: 7-12 ●●●●

Cost: \$10

The DCA and CIT in-person orientation will allow you to get to know fellow DCAs and CITs (day camp and sleepaway camps), as well as review the skills, knowledge, and expectations to excel in your role at camp. You will engage in hands-on activities and team-building exercises to foster a supportive learning environment. This session will provide a foundation so you can work with other DCAs and CITs and camp staff to guide and inspire the next generation of campers. Prerequisites and registration required.

Choose one of these sessions at Balboa Campus:

- Sunday, April 13, 2025 | 9 a.m.-1 p.m.
- Saturday, May 10, 2025 | 9 a.m.-1 p.m.
- Saturday, May 31, 2025 | 9 a.m.-1 p.m.

DCA/CIT Day Camp Training

New DCAs and CITs attend

June 23-27 (Week 1) | 8:30 a.m.-3 p.m.

Balboa Campus, EC Available

Grades: 7-12 ●●●●

Cost: \$385 (Five-Day Camp)

The DCA and CIT day camp training week will provide you with detailed learning and practice of the skills and knowledge needed to lead day campers and to work collaboratively and cohesively with your DCA and CIT colleagues. From developing outdoor skills to honing leadership abilities, this is where your competence and confidence are boosted as you prepare to work directly with younger girls at camp. Prerequisites and registration required.

To encourage greater participation in the Technology Goddesses camp among girls in southeastern San Diego County, camp registration and bus transportation will be provided to a designated number of girls (grades K-6) thanks to the generous support of the Booz Allen Foundation.

The bus will transport girls between the MLK Library, the GSSD Balboa Campus, and the GSSD Escondido Program Center.

Don't miss out! If you live in 92113 or 92102 zip codes and want to spend a week immersed in outdoor fun and technology, email campdirector@sdgirlscouts.org for more information and registration.

Offsite Day Camps

Dual check-in will be available at all offsite camps. Drop your camper off at Balboa Campus between 8:15-8:30 a.m. or at the camp location between 8:30-9 a.m. Please be sure to communicate with your Camp Site Director prior to the start of camp about your drop-off and pick up plans for the week. The bus will leave at 8:30 a.m. from the Balboa Campus for the offsite location and return about 3:30 p.m. or 4 p.m. depending on your camp's end time. EC is only available at Balboa Campus, NOT at any of the offsite drop-off locations.

Grade Level Guide

Camp sessions are organized by grade level; grade level refers to camper's grade entering fall 2025.

Look for your grade level's color in the following camp listings!

-  **Brownies** (2-3)
-  **Seniors** (9-10)
-  **Juniors** (4-5)
-  **Ambassadors** (11-12)
-  **Cadettes** (6-8)

Camp Buddies

Campers may register to be placed with one friend for the week. Enter buddy information during camp registration. Camp buddies must be registered for the same program.

Confirmations/Instructions

Registered campers receive a confirmation email with a packing list, information about what to expect at camp, and a link to all required paperwork. Luggage tags will be distributed at the bus stop or at on-site drop-off.

Transportation

Most campers take the camp bus, which stops in Mission Valley and Escondido (\$35 each way; \$70 round trip). Camp staff supervise bus trips to ensure a fun and safe experience. Alternatively, families may drive their campers directly to camp in Julian. Sign up for bus transportation during camp registration.

Communication

Campers may receive regular U.S. mail. No packages, please. Caregivers may also drop mail off at the bus stops on Mondays. Campers may respond via U.S. mail only. With only one week at camp (for most camps), it's possible that mail may only be received one time at camp or at home.

Campers with Special Needs

With sufficient notice, we can accommodate most campers with special physical, medical, emotional, social, or dietary needs. Contact the director (campdirector@sdgirlscouts.org) at least two weeks in advance of the start of the session with specific considerations and fill out the health form in detail during registration.

T-Shirts

A special sleepaway camp T-shirt is included with registration and provided to all campers each week.

Program

While some program activities are pre-planned to explore the camp session theme, each group of campers and staff also plan their own activities based on campers' interests and ages, giving them an opportunity for girl-leadership at camp. These activities might include hiking, archery, nature exploration, swimming, challenge courses, arts and crafts, and sleep outs—it all depends on camper imagination. Help your camper choose a camp session by looking for activities/themes they already love or have always wanted to explore!

Camp Staff

All camp staff members are 18 years or older and are selected for their maturity, skills, experience, and enthusiasm. Many of our counselors were Girl Scout campers as youth and many return year after year. Staff are trained in CPR, first aid, child development, and activity leadership. As an equal opportunity employer, we occasionally hire male staff. Male staff members are never with Girl Scouts without a female counselor and do not sleep in spaces with Girl Scouts.

Teen Leadership at Sleepaway Camp

Teens: Gain new leadership skills at Whispering Oaks and Winacka!

Our Take the Lead (formerly called Leader-in-Training or LIT) and Counselor-in-Training (CIT) programs help you grow as a leader while gaining insight into the fundamentals of community living, effective communication, hands-on program design, and working with—and mentoring—younger campers.

During your session, you will live with the other leadership campers—your companions for teambuilding activities, skill-building workshops, and plenty of traditional camp fun. Spend part of each day with a younger unit of campers (typically in grades 2-5), putting everything you learn into action. Carefully designed with progression in mind, the Take the Lead and CIT programs let you practice personal leadership in a safe and supportive environment, giving you the foundation to lead anywhere.

CIT In-Person Orientation

All CIT 1s and 2s attend

See below for session options

Grades: 8-12 ●●●

Cost: \$10, registration required

Prior to attending CIT 1 or 2, attendance at one of the in-person orientation sessions is required for all CIT 1s and 2s, whether new or experienced. The CIT in-person orientation will allow you to get to know fellow CITs (day camp and sleepaway camps) as well as review the skills, knowledge, and expectations to excel in your role at camp. You will engage in hands-on activities and team-building exercises to foster a supportive learning environment. This session will provide a foundation so you can work with other DCAs and CITs and camp staff to guide and inspire the next generation of campers.

Choose one of these sessions at Balboa Campus:

- Sunday, April 13, 2025 | 9 a.m.-1 p.m.
- Saturday, May 10, 2025 | 9 a.m.-1 p.m.
- Saturday, May 31, 2025 | 9 a.m.-1 p.m.

NEW! Join Us for Family Camp

NEW this year! Bring your whole family to summer camp in the mountains. Enjoy classic camp activities and try new twists on old favorites. Each day will have a different theme, and we encourage your family to dress up for the theme.

Your family will select from a variety of different staff-led activities like special activities based on the theme each day, target sports (slingshots, archery, hatchet throwing), water fun, campfire cooking, songs, games, crafts, nature hikes, horseback riding, and more! Need quiet relaxation and individual family time? You can do that too. Note: Target sports, horseback riding, canoeing, and high ropes course activities are age restricted.

Stay in shared enclosed cabins, single family open-air cabins, or bring your own tents to pitch at a shared tent site.

Friday: Sports Team Day

Saturday: Twin Day (match with your family!)

Sunday: Superhero Day

Staff-Led Program Activities

Examples of program activities include crafts, target sports, swimming, canoeing, fishing, geocaching, high ropes course, low ropes course, horse fun (not riding), and horseback riding.

Examples of evening activities include enjoying a campfire, skits, s'mores, all-camp, and stargazing.

Family Time

Take a hike on any of the many camp trails, enjoy the nature center, do arts and crafts, take a nap or read, let your experienced Girl Scout camper share their favorite place at camp, or spend part of your day in nearby Julian.

Sleeping Accommodations

Camp Winacka: Shared enclosed cabins or single-family open-air cabins.

Shared enclosed cabins have electricity and heat; no air conditioning. These cabins sleep 24-36 people. You will sleep on camp mattresses on either the floor or on a cot. You could also choose to sleep under the stars on a cabin deck. Restrooms are attached to the shared sleep space.

Single-family open-air cabins do not have electricity. Each cabin sleeps 6-8 people. They have bunk beds with camp mattresses. Restrooms are located in a separate shared building close by.

Camp Whispering Oaks: Shared enclosed cabins or pitch tents at shared tent site.

Shared enclosed cabins have electricity and heat; no air conditioning. These cabins sleep 16 people. They have bunk beds with camp mattresses. Restrooms are located in a separate shared building close by.

Pitch your own tents at one of three shared tent sites. Tent sites do not have electricity. Each site can accommodate five tents. There are port-a-potties and handwashing stations at each tent site. Showers are available at the closest cabin cluster.
