

Trained to Lead

Patches and charms: Bring on the bling!

Adult volunteers, proudly display your learning achievements in a charming way! Earn the right to a “Trained to Lead” patch with any Girl Scouts San Diego learning experience. Add charms to the loops as you continue to learn. Adults who complete *Getting Started With Your Troop* online and attend an Intro to Girl Scouts course will receive the patch and *Getting Started* charm. Other charms can be purchased separately.

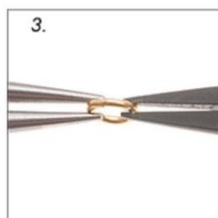

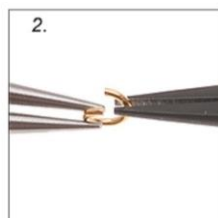

You can also purchase the patch and charms in any Girl Scouts San Diego shop. While purchases are “on your honor,” we suggest bringing your training record as a reminder of what you’ve finished.

Sew the patch to a sweatshirt, tote bag or other item. Or attach a pin so you can bling out any outfit!

Patches are \$2; charms are \$1.50 each.

2. Open the jump ring by twisting ends apart.
3. After you've slipped the jump ring on the patch loop, close the ring.
